Mission Statement

Lehigh Valley Barber School's mission is to train students in all aspects of the art of barbering. Our goal is to provide students with the skills needed to take and pass the Pennsylvania State Board Exam of Barbering and to obtain employment in this vast profession. We will ensure this by empowering our students to learn the fundamentals of this field and provide an exceptional curriculum. Our staff will also continuously pursue educational classes to ensure the students implement the most advanced and popular trends in their field.

History

Lehigh Valley Barber School (LVBS) was founded by Vito J Villani in August of 2011. Villani found his passion for barbering at the young age of 15. He attended cosmetology school but found it was lacking the exclusively of barbering. Because of this, he commuted to American Barber Institute in New York City every day for his Barber License. After receiving his license, Villani opened Clean Cut Barbershop, a thriving business with an excellent rapport with the clients and the community. Villani recognized the need of an exclusive barbering school in the Lehigh Valley, and therefore, set out to establish Lehigh Valley Barber School.
